Guide to WCs

Which WC Pan is right for you? See our options below.

Close Coupled (C/C)

A standard Close Coupled WC, the cistern is visible for ease of access, and mounted directly to the pan.

Close to Wall

Similar to a C/C WC, but the pan extends back to fit flush with the wall so that all pipework is hidden from view.

Comfort Height

A C/C or BTW pan with a raised height, more comfortable for those who are taller or have mobility issues.

Back to Wall (BTW)

The cistern and pipework are hidden within the wall or a WC unit - requires a separate concealed cistern.

Wall Hung

Mounted to the wall with pipework hidden inside - requires a concealed cistern or an in wall frame.

Guide to Basins

Looking for a vanity unit with an integrated basin? See our furniture range from page 5.

Semi Recess

Pedestal

A standard basin resting atop a full pedestal which supports the basin and conceals the pipework.

Semi Pedestal

A wall mounted basin taking advantage of a smaller pedestal to conceal pipework.

A low profile basin mounted into a worktop with the pipework concealed inside a vanity unit.

Countertop

A standalone basin which sits on a worktop. - pair with a hi rise basin mixer (see from page 137) for a stylish solution.

All our ranges feature soft close seats, with a quick release mechanism for easy removal for cleaning. Certain ranges also feature a choice of slim or wrap seats, for more customisation in your suite

As the name suggests, Rimless WCs lack the traditional rim, making them easier to keep clean, as well as saving water via direct flush technology. They look sleek and stylish too! Look for this symbol for rimless pans.

Carronite

- Added Strength: the Carronite[™] finish provides sturdiness and rigidity to your bath, for additional comfort and peace of mind.
- Thermal Insulation: The additional layers provide additional insulation against heat, meaning your bath will stay hotter for up to 30 minutes longer.

Carronite cross section

All baths from the Carron range are available.
Order by 3pm for next day delivery. The full range is available to view at www.carronbathrooms.com or scan the QR code

Terms & Conditions

Guarantee

All product guarantees are subject to the following terms ϑ conditions:

The product has been fitted/installed in accordance with the appropriate fitting instructions, local by-laws and general good plumbing practice. The guarantee will become invalid if the product has not been maintained and cared for in accordance with the instructions (including regular misuse, neglect, wilful or accidental damage). The guarantees on all products are from the date of supply unless otherwise stated. The guarantee only covers the material structure and not serviceable moving parts that perish due to wear and tear. In the event of the guarantee claim, the liability of the seller is limited to the product supplied and does not extend to consequential loss or damage arising from defective product. The guarantee applies to the original purchaser only and is not transferable. This guarantee does not affect your statutory rights and is applicable in the UK. All products installed in a commercial environment carry a 12 month guarantee.

Inspection

All products must be inspected prior to installation and faulty or damaged goods must be reported within 24 hours of receipt of delivery. In the event that goods are delivered incorrectly or damaged, it is the responsibility of the customer to ensure sufficient time is allowed for a replacement item to be sent.

Batches

Please be aware that the following products are manufactured in batches: PVC Wall Panels, Flooring & PVC Ceiling Panels. Whilst there will be minimal shading difference there is no guarantee it will be identical. Batches are there to guarantee continuity.

Returns

Goods not used and still held as current stock can be returned to us within 28 days of purchase, provided they are in their original packaging, unopened and undamaged with a copy of the original invoice and in saleable condition. A restocking charge may be applicable. We cannot accept product returns that have been made by special order or have been reduced in price for display purpose or any special offers. No discontinued stock can be returned.

Carron baths placed to order which are not stocked at KB are subject to a 25% re-stocking charge as per Carron Bathrooms T & C's.

Disclaimer

The specifications and prices contained within this brochure are for information purposes only and, as our products are continually updated, are subject to change without prior notice. We cannot be held responsible for the use of incorrect dimensions shown for the first fix without the actual products on site. All images shown are representative and are for illustrative purposes only. On occasions the manufacturer may make minor changes to the design of a product, due to this the item/items you may receive may have slight differences to the picture displayed in the brochure.

Notes and Plans

Take a note of products you like the look of, with space to plan your room.
